Learning Programme

The National Centre for Craft & Design offers an exciting programme for children, young people, adults, families and community groups to explore the content and themes of our exhibitions. This season we have talks, workshops, clubs, short-courses, demonstration days and school holiday workshops to inspire new learning.

We also work in partnership with Design Factory and Design-Nation to provide professional training and development for artists, designers and makers.

For more information about our learning programme please ring **+44 (0) 1529 308 710** or email **learning@nationalcraftanddesign.org.uk**
